About

Building Your Future Today

Arab Hissan Trading and Construction is a Qatar's leading construction company bringing construction solutions from start to finish. We believe in maintaining the highest standard of professionalism, integrity, creativity, positive attitude, delivery that meets and surpass expectations while offering prompt and lasting solutions that stand the test of time.

We provide quality and specialized services in Crack injection, Leak Repair, Concrete Repair, Structural Strengthening, Joint Sealant Work, Protective Coating, Painting, Sealer Pipe Line Coating, Industrial Flooring, Water Proofing, Marine Repair, Interior Fit out Work, MEP Work, secondary steel structure work (Roof bracing and Column bracing, Ceiling Frame work Structure, Purlin, Tie rod, Angle support, Tie bar, Sleeve pipe,) and etc.

Also, Our Company offers building equipment and tools required for Construction. Such as Power Tools & Accessories, Hand Tools, Bolts and Fasteners, Safety Products, Welding Materials, Adhesive & Lubricants, Oil field and Industrial supply.

Ultimately, we aspire to become your business partners rather than business executives, and to achieve that objective, we introduce you to an ultra-modern definition of the industry – one that's customer-centric, results-oriented, and tailored to your project. With us, you get a glimpse of satisfying service all with the support of our team members, who are the driving force behind our success.

Our Mission

We aspire to set the standard in construction, not to be “one of” in the industry but to be the industry. We are not just about doing what is accepted, doing what will work, but achieving first-class key results, the way you want it, the way it should be done. Every client is important, every project is of essence, nothing is trivial.

Our Vision

Backwards to be Forward – We believe great things start from the basics. In what is essential in the key elements, “strong fundamentals to be ahead of the trade, to be the lead”.

◆ Crack Injection
